February, 2019

Dear Parents and Guardians:

It is hard to believe that the second semester is already upon us. The high school anticipates that 2nd quarter report cards will be available, on the portal, on or about February 1, 2019. The new semester will offer students many additional challenging and energizing learning opportunities.

I ask that you continue to stay in contact with your child's guidance counselor. They can be reached at 478-6260. The High School counselors are about to begin the 2019-2020 course selection process with students. I remind you again to make sure your child selects appropriate courses for the 2019-2020 school year. It is difficult to change courses after the master schedule has been built and schedules created.

Finally, I encourage your child to utilize our National Honor Society tutoring in the Lloyd Library, Tuesday and Wednesday afternoons, from 3:30 to 4:30 p.m.

Please, as always, e-mail me with any questions or concerns.

Sincerely yours,

Louis A. Adipietro
