October, 2021

Dear Advanced Placement Students and Parents:

As you know each student enrolled in an Advanced Placement (AP) Course is **required** to take the AP Exam for that course. This year the fee will be \$96.00 for **each** exam – including Studio Art Portfolios. On the attached form, please indicate which exams you will be taking and the total amount of money enclosed. Return this form with the appropriate fee to the Guidance Department by **Friday, November 19, 2021.**

Please make checks or money orders out to: **Hastings High School.**

Fee reductions are available for students with financial need. Any student who does not fulfill the fee reduction guidelines may still be eligible for assistance through the school district. Students may see me privately if they need assistance.

Attached you will find the AP schedule for this year. Unless you are notified about a change to the testing options/conditions, students must report to the exam **no later than 7:45 am for a morning test and no later than 11:45 am for an afternoon test.** AP exam regulations stipulate that **“no students may be admitted after the start of the exam.”** It is critical that you arrive on time.

EXAM LOCATION WILL BE ANNOUNCED IN FEBRUARY.

If you have two exams scheduled at the same time, please see me as soon as possible.

Sincerely,

Mrs. Jeanette Kocur
