Dear Eighth Grade Parents and Guardians:

An informational meeting for parents regarding the high school registration process and transition will be held on **Thursday, February 25th at 6:30 pm via ZOOM Webinar** (links and information will be shared on February 22nd). During this meeting, we will be discussing the high school course selection process as well as New York State High School course and graduation requirements. This presentation will be co-presented by the FMS and the HHS School Counseling departments as well as some high school faculty.

Students will be receiving a course selection sheet during the week of February 22nd. The material will be provided to your children by Ms. Bellas and Ms. Kocur during presentations scheduled in their Social Studies classes. Please take time to review the course selection sheet with your child. Additionally, the high school program of studies, which outlines all courses available at the high school along with the description of those courses, is available on the high school website under the School Counseling tab.

After the class presentations, there will be weekly Question and Answer Sessions hosted by Ms. Bellas and Ms. Kocur at 2:45pm for students as well as two sessions for Parents and Guardians.

We look forward to meeting with you on February 25th.

Sincerely,

The Hastings On Hudson School Counseling Department
