Summative Assessment Medical Assignment

This short term make-up assignment may only be used in the event that you are medically excused from physical education. This absence from PE must be the reason you were unable to complete the regularly scheduled Summative Assessment in your class. The completion of this assignment will count as your assessment for the unit and contribute to your final quarter grade.

Task – Part 1

Part 1:

Answer all of the questions on the reverse of this sheet in detail. The depth of your answers will help your teacher evaluate your performance on this assignment.

Sport or Activity: _____

History: _____

Basic Rules: _____

Diagram & Label area of play:

How does scoring work and how do you win? _____

If you were teaching the subject what areas of the sport or activity would you focus on and how would you teach them? _____

Task – Part 2

Identify Your Teachers Summative Assessment. What is being tested? _____

Why is this important to know? How does it fit into being a physically educated student or building a lifetime of fitness? _____

Create and conduct a peer assessment of one of your classmates. After observing your partner you need to be able to provide feedback on their performance? _____
