We are specifically looking for Power Red Donors, who must be at least 5'1" and 130 lbs (male requirements) or 5'5" and 150 lbs (female requirements). These donations take a more concentrated amount of red blood cells, which is exceptionally helpful to trauma or surgery patients in need of blood transfusions.

If you do not meet these requirements, that does not mean you are ineligible to donate! We would still greatly appreciate a blood donation.

Please make sure to enter the Cochran Gym through the entrance on Hillside Ave. Thank you so much for your kind donation!

**Thank you for helping to make a positive difference in the world! Let's Go Yellowjackets!**
