Summer 2020
Dear Families,

I hope this letter finds you well and enjoying the summer. I am writing to inform you of the scheduled dates for school pictures for the upcoming school year. All middle school students will have their photo taken on **Tuesday & Wednesday, September 29th and 30th.** Children who are absent that day, or are in need of a retake, will be photographed on **Monday, November 16th.**

The middle school will be using Lifetouch Studios, located in Newburgh. It is important to remember that payment will be due the day photos are taken. This means that students will receive an order form about a week before the photos, and they must either pay online or bring it in with payment on **Tuesday & Wednesday September 29th and 30th.**

In addition, the middle school yearbook will once again be sold online at the [www.balfour.com](http://www.balfour.com) website. Please be sure to order your books before the deadline, which is usually the end of January. More information will be posted on the district website **after the school year begins.**

We look forward to seeing your children in September, and please remember to mark your calendars.

Sincerely,

Mrs. Joan Felipe

8th Grade Math Teacher
Yearbook Moderator
