August 2020

Dear Sixth Grade Parents/Guardians:

We have spent a good deal of time since school closed in June preparing for the upcoming school year. While it is still some weeks off, we thought it would be useful for you to have some information about what you and your child can expect when school begins virtually on **Tuesday, September 8th**.

Enclosed in this mailing is information about your child’s program for this year and about the school in general. Grade level letters, calendars and much more information are available at [www.hohschools.org](http://www.hohschools.org). Please take a look! **Individual student schedules will be posted on the portal on Thursday, August 27.**

There will also be an opportunity for you to meet the teachers virtually on **Back-to-School Night**, which will take place on **Thursday, September 24, 2020. A virtual schedule will be emailed to you prior to Back-To School-Night.**

Ms. Barbara Richman is the 6th Grade Team Coordinator. If you have any questions regarding trips or special events, please feel free to e-mail her at richmanb@hohschools.org.

There are a few points about life at the middle school that I would like to share with you. Even if you have had a child attend middle school previously, please read this carefully as things may change from one year to the next. Here are a few basics about getting organized:

◆ First period begins at **8:15 a.m.**
◆ Early arrivals may go to the cafeteria or library which opens at **7:30 a.m.**
◆ Formal instruction will end at **2:44 p.m.**. However, all teachers are available to meet with students during the “Academic Coaching” period from **2:45 p.m. to 3:15 p.m.** We have set this time aside so that students can meet with their teachers for general assistance, to make up work,
to catch up after an absence, to review for tests, etc. We request that you schedule all appointments for your child after **3:15 p.m.**

◆ This year we will not be assigning lockers; students will be allowed to carry backpacks. Textbooks will be kept at home.

◆ Each student will be given a homework assignment pad called an **Agenda Book**. All students use this book which also contains our student handbook and other important information.

◆ Performing Arts groups will meet during the Areas of Knowledge period nine. More information will be forthcoming from our music teachers.

Also included is information regarding **Free or Reduced School Meal Programs**. If applicable, please return the completed form to Maureen Caraballo in the Business Office. If you have any questions regarding these programs, please call the business office directly at 478 – 6405. If you would like to join the online program to pay for your child’s lunch, you can log onto [www.mypaymentsplus.com](http://www.mypaymentsplus.com) to get the necessary information. Please have your child’s ID number available since you will need to input that information.

**PLEASE NOTE:** Period 9 classes include Areas of Knowledge (AOK) courses, performing music groups, and Skill Center classes.

**STUDENT SCHEDULES**

All **students in grades 5 through 8 participate in a nine period day, with each period consisting of forty minutes.** This schedule will be explained to your child on the first day of school. Your child should report to the teacher identified in the First period on their schedule. Your child’s School Counselor will be Ms. Jocelyn Perez. If you have any questions about the schedule, you can call the School Counseling Office at 478-6228 beginning August 31st. **Schedules will also be posted on the portal on Thursday, August 27.**

**LUNCH PERIOD** - The 5th and 6th graders will have lunch and recess during 6th period (11:54a.m. - 12:35p.m.)

Food will be available as a “grab & go” lunch. Opportunities will be available to eat outside.

**Multi-Tiered Systems of Support**

In order to provide targeted, effective support for all our students, our school utilizes a Multi-Tiered System of Support. There are both academic and behavioral supports provided at Farragut Middle
School. Examples of these include our Skill Centers for academic support and bee stickers for behavioral support. More information will be shared throughout the year and our website.

**DRIVING AND TRAFFIC**

If children are being driven to school, please note that the only way to enter the drop off area in front of the middle school is to enter the "Drop Off" zone making a right turn from Mt. Hope Boulevard. **Turns are not allowed** from Farragut Avenue into the “Drop Off” zone. Also, **left turns are not permitted** at the end of the “Drop Off” zone in front of the school onto Farragut Avenue.

Another approach to the school is to turn onto Hillside Avenue and move up to the **Hillside Avenue "Drop Off" zone**, which is past the crosswalk that leads to Reynold’s field on Hillside Avenue. Cars that stop right at the corner block both the crosswalk and other cars. It is important, therefore, to pull up to the “Drop Off” zone as far as possible to avoid blocking the corner.

**Sports:**
Children are eligible to play modified sports in 7th and 8th grade. If you have any questions, please call the Athletic Director on 478-6241.

**PHOTOGRAPHY**

Middle School Yearbook photos will be taken on **Tuesday and Wednesday, September 29-30, 2020, and make-ups on Monday, November 16, 2020**. Specific information regarding the procedure for photos will be sent in a separate email as we get closer.

There will be occasions when photos or video will be taken within the school to be used in district publications. Please complete the linked form if you **DO NOT** want your child’s image and/or name to appear in any public videos, newspaper articles, or publications, including the Farragut Middle School website. [Click here](#) for the student image form. Photos will be published in the Farragut Middle School yearbook unless specified otherwise below.

Please return this form to the principal’s office as soon as possible. Thank you.

**DISTRICT WELLNESS POLICY**

The District is committed to providing a school environment that promotes and protects children’s health, well-being, and the ability to learn by fostering healthy eating habits and physical activity. This policy, which is housed in the middle school office, is available for your review.
