

Hastings-on-Hudson U.F.S.D

Parent Portal Access

<https://esdparentportal.lhric.org>

The Hastings-on-Hudson Union Free School District is pleased to announce our participation in the eSchoolData Parent Portal, an online tool designed to enhance the communication and involvement of parents in their child's education. The Portal provides you with 24/7 access to your child's information. No longer will you have to wait for the mail to arrive to receive information about your child's education.

With a Portal account, you may log on at any time and from anywhere with Internet connection, view school information regarding your child. We encourage you to use the Portal regularly.

Features and Information about the Parent Portal

New users will need to complete a short registration process for verification and access to the parent portal. (<https://esdparentportal.lhric.org/Register.aspx>)

Please visit the district website for step by step directions on how to register.

(www.hohschools.org)

- The Portal is mobile friendly. When using your smartphone, your phone's browser will automatically recognize the device as "mobile" and direct you to eSchool's mobile platform. This will make navigating your account much easier.
- When logged into the Portal:
 - Parents/Guardians may easily change/update their password, username, and email at any time using the "My Account" link and selecting the "Update Account Info" tab.
 - When using the "My Account" tab, you can update phone numbers in the "Personal Information" tab. You can also check your home address in this tab. If your address has changed, you will need to contact the registrar at porterm@hohschools.org to make this change; the Parent Portal does not provide this option.
- To ensure that parents are being notified during emergencies, please be certain we have your most up-to-date phone number(s) and email. Our student notification system automatically uses the recorded phone numbers and emails to contact parents/guardians.
- Report cards and progress reports can be viewed through the Parent Portal for students in grade 5-12. In an effort to communicate progress and marking period grades more efficiently and timely, and to eliminate paper and mailings, we are encouraging parents/guardians to use their account to view their child's grades.
- Schools will be mailing home the first progress report of the year only. All others will need to be downloaded and printed from the portal. **If you would like a paper copy of progress reports or report cards, please email the registrar at porterm@hohschools.org with your request.**

eSchoolData Parent Portal F.A.Q.

What is the Parent?

The Portal is an online, web-based tool designed to enhance the communication and involvement of parents in their child's education. It provides the Parent/Guardian/ with access to a student's academic information such as profile, attendance and more. We encourage you to use the Portal regularly and become a partner with us in your child's education.

Who can access the Parent Portal?

Portal access rights and accounts are based on permissions from the district's student management system. Data must be entered the way it appears on your child's records. Information submitted must be verified and accepted to receive access and an account. Confirmation of an accepted account is notified by email.

How do I get a Parent Portal login account?

Enrollment for an account is by registration and verification. An email will be sent to the registered parent/guardian upon successful verification by the district. If you need assistance, please contact the registrar at porterm@hohschools.org

Where can I find help to use Parent Portal?

The Portal page contains a tutorial for you to use. You can also download the tutorial guide on the district website.

Do I need to multiple accounts if I have more than one child attending?

You only need one account to gain access to all your children. Because of the family oriented design of the database, you will never need multiple login accounts for different children. You will see all children you have verified access to from one main screen upon login.

What is available on the Portal?

The following tabs will be available:

- o Schedule, Attendance, Transcript (11th and 12th Grade only), Gradebook (current marking period grades), Report Card, Progress Report, and Assessments.

What requirements do I need?

--A computer with Internet Access

--Internet Browser: Explorer 7 or higher, Mozilla Firefox 2 or higher, or Google Chrome

--If a popup blocker is turned on, some links may not function properly
