

Farragut Middle School Recommended Reading Summer 2020

Dear Farragut Middle School Students & Families -

We are happy to offer you this list of books to explore over the summer.

The titles are grouped by grade level, and **we are recommending (not requiring) that students read at least one book that we've recommended for the grade they're heading into in September.**

We'd be thrilled to have you read more than one book if you're interested, and you're welcome to read books that are recommended for the other grades as part of this additional reading if you'd like.

Have a great summer and enjoy these fantastic books!
