November 16, 2020

Dear FMS Families,

We are pleased to share with you that **Farragut Middle School will return to Hybrid tomorrow, Tuesday, November 17, 2020**. As previously scheduled tomorrow will be a F day and our Gold students will be in attendance in the Farragut building while our Green students will be joining classes remotely.

I wanted to add more clarity to this past [Saturday's Community Communication](#). After consultation with the Westchester County Department of Health, the circumstances of this case does not alter the operations of the school for tomorrow. We used today Monday, November 16, to continue accurate contact tracing and to disinfect and clean our school. As a result of the contact tracing there are eight staff members and zero students who need to quarantine as per the protocols of the Department of Health. Mr. Hanlon and myself are two of those eight staff members. We will be working from home during the remainder of our quarantine. All staff members have been communicated with and they are taking the necessary precautions as outlined by the Department of Health.

As previously mentioned each situation is unique and we are confident in the protocols and will continue to follow the procedures outlined by the Westchester Department of Health.

Regards,

Jennifer Spirelli
Principal
